PressReader Android User Guide

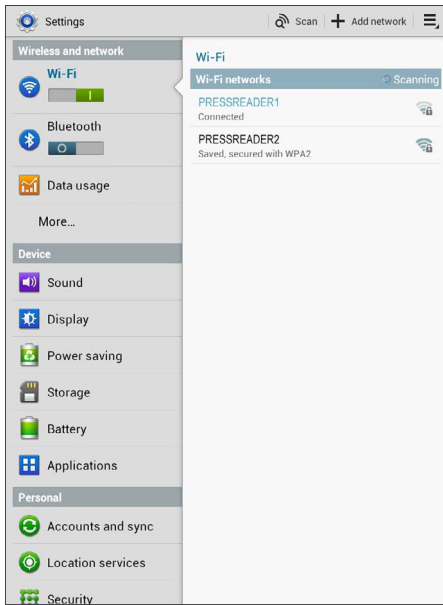

What is PressReader?

PressReader delivers the most authentic newspaper and magazine reading experience on tablets and smartphones and eReaders running iOS, Android, Windows 8 and BlackBerry 10 operating systems.

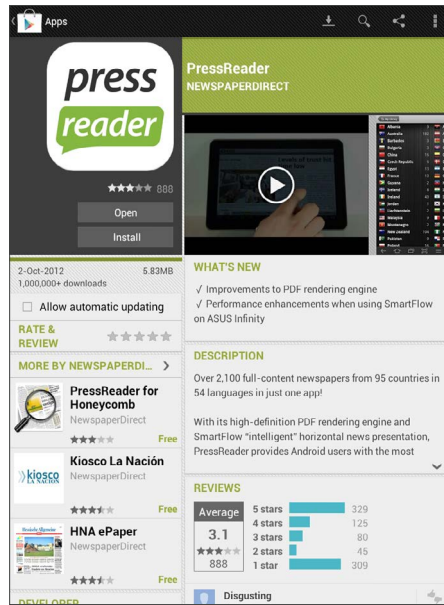

With PressReader, you can hold an enhanced digital replica of your favorite publication in your hands and read it from cover to cover, just the way the title was printed - with no compromises in quality, fidelity or content.

Setting up PressReader

1 Connect to Wi-Fi

2 Search for PressReader in the app store and download the free app

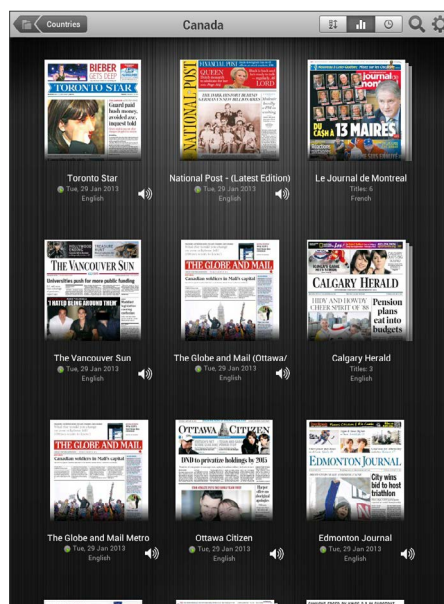

3 Launch PressReader and authorize your account in "Settings" or connect to the HotSpot

Downloading Publications

1 Search for a publication by country or language

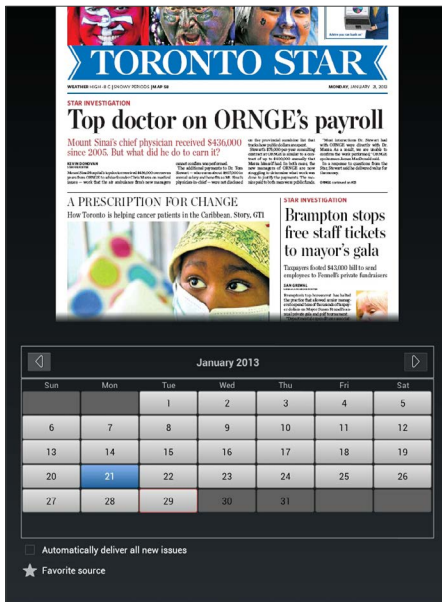

2 Select a newspaper or magazine to read

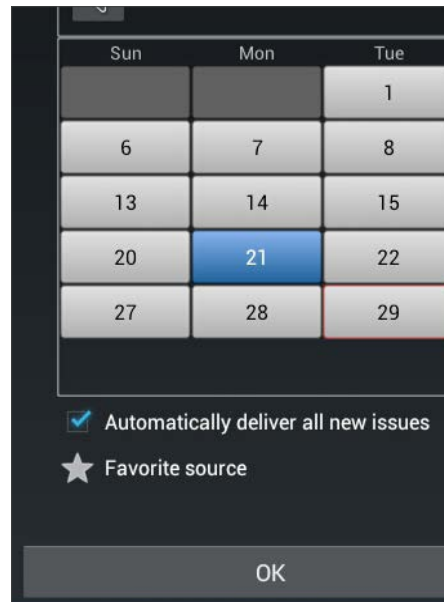

3 Download the issue

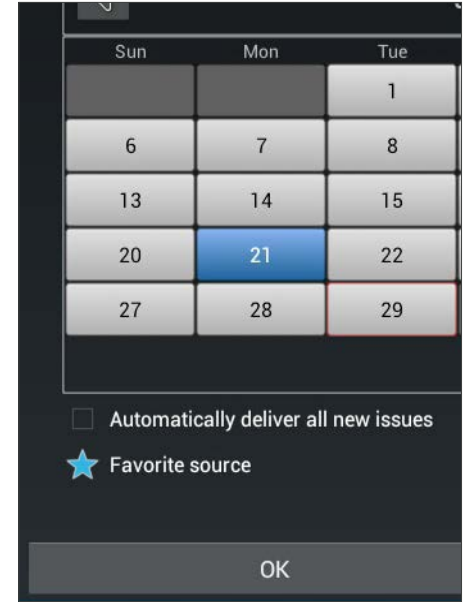

Download Options

Option A
Use the calendar to see available back issues
