Before I go to the library

I'm going to Widnes library

If I am nervous about going I can talk to someone and ask questions first, I can call **0151 907 8383**.

Or I can email:

widnes.library@halton.gov.uk

I can ask the person for a tour of the library.

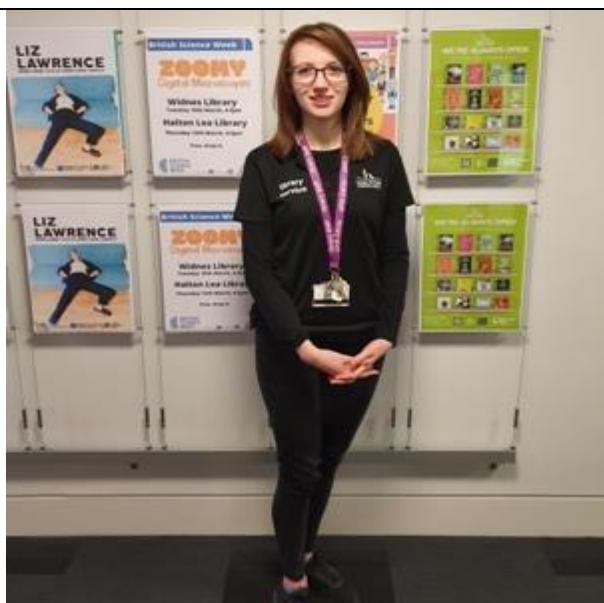

I can follow the arrows that lead me around the library and around all book shelves.

About the library

There are people who work at the library who I can talk to.

Most of the library staff wear a library uniform and have a name badge.

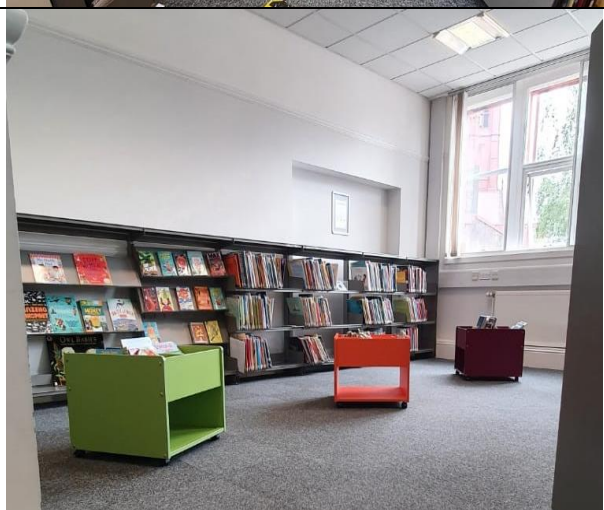

The library is usually a quiet place where people talk quietly, relax and read books.

I will enjoy choosing books to take home with me.

Sometimes the library is quiet and sometimes it might be noisy.

If it is noisy I can talk to a librarian who can help me find somewhere quiet to relax.

How I become a member of the library

When I get to the library I will use hand sanitiser to keep my hands clean.

There will be a member of staff sitting at the front desk.

I can talk to someone who works there if I would like to become a member of the library.

I will tell them my name, address, date of birth, telephone number and email address and the library staff will enter my details on their computer.

I will have to stand behind some tape on the floor.

I am now a member of the library and I will be given a library card

When I visit the library

In the library there will be lots of shelves of books that I can choose from.

I can borrow a book and take it home with me.

The staff can show me how to borrow the book and tell me when I need to bring the book back to the library.

There is a shelf that I can use to return my books. I can ask staff if I need help to bring a book back

The library will also have some computers. The library staff can help me to get on a computer.

If I use the computers I will wipe the computer before and after I use them. There is a special bin that I can put my used wipes or gloves in.

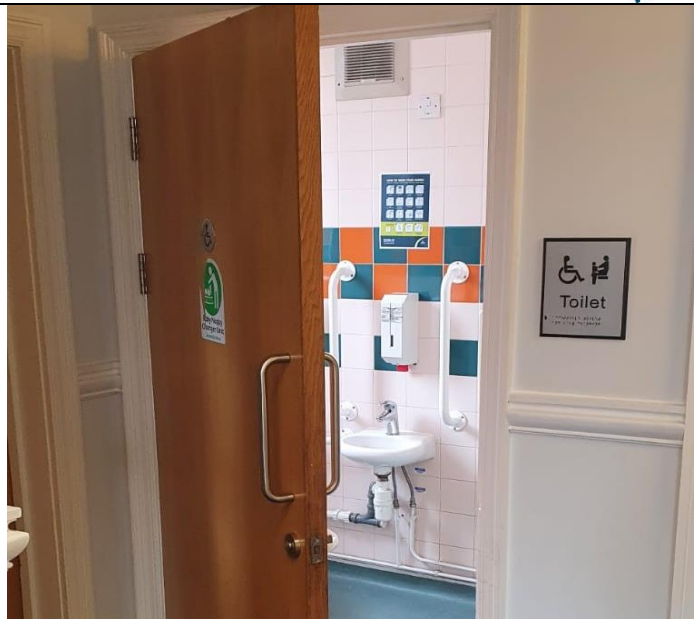

To use the computers I may need to wait if it is busy.

The library has toilets I can use, they are at the front part of our library.

There is also a baby change / accessible toilet I can use.

This library has a section for children and young people.

I can talk to library staff if I need help to find a book.

When I have finished I will leave the library through the front door. I may have to wait to walk out of the door if there are other people coming in to the library.

I can clean my hands with hand sanitiser before I leave the library.
