

Decorate Halton

18th January-14th February

Throughout January and into February, we will be decorating Halton with brightly coloured origami cranes. A symbol of hope and good fortune, what better way to start 2021. Japanese legend states that any individual who can create 1000 paper cranes will be granted a wish - how many can Halton residents make?!

In this pack you will find 5 sheets of origami paper and full instructions. Instructional videos can also be found on our youtube channel www.youtube.com/haltonlibraries Display your cranes in your windows at home to share the wishes of hope and good fortune—share with us on twitter and facebook using the hashtag #DecorateHalton.
