About the library

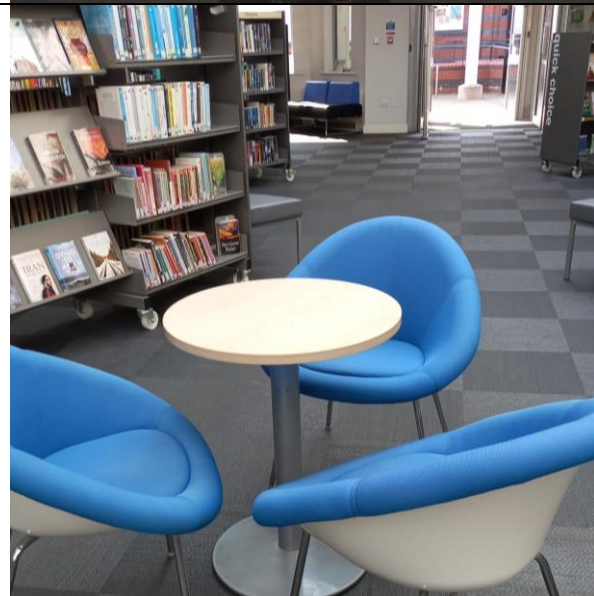

There are people who work at the library who I can talk to.

Most of the library staff wear a library uniform and have a name badge

The library is usually a quiet place where people talk quietly, relax and read books.

I will enjoy choosing some books to take home with me.

Sometimes the library is quiet and sometimes it might be noisy.

If it is noisy I can talk to a librarian who can help me find somewhere quiet to relax.

How I become a member of the library

I can talk to someone who works there to become a member of the library

I will tell them my name, address, date of birth, telephone number and email address and the library staff will enter my details on their computer.

I am now a member of the library and I will be given a library card

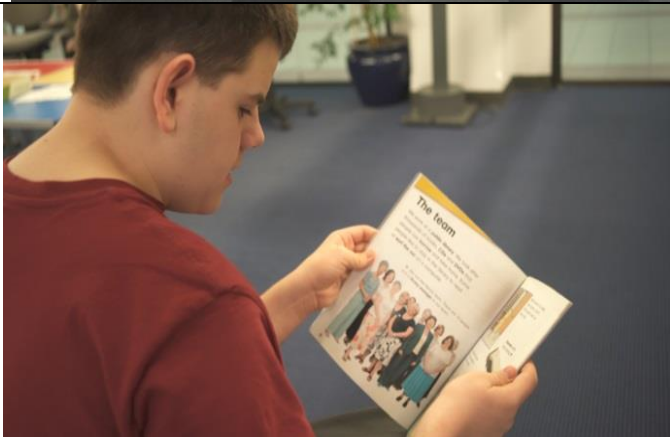

When I visit the library

In the library there will be lots of shelves of books that I can choose from.

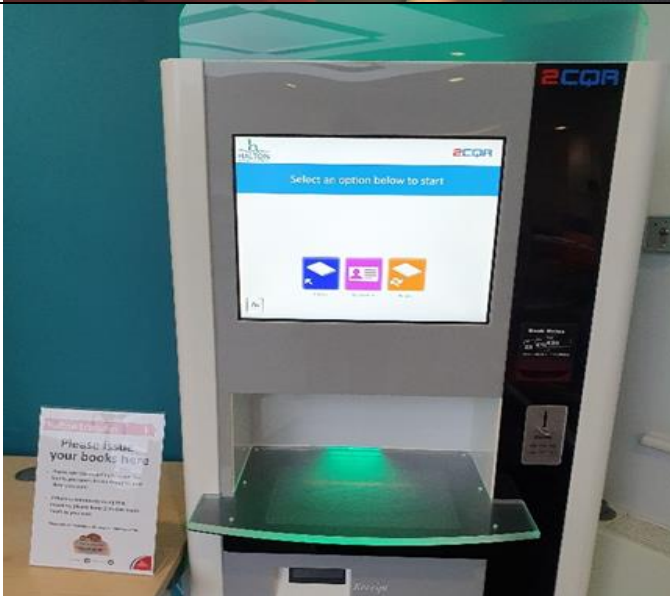

I can sit in a chair and read a book.

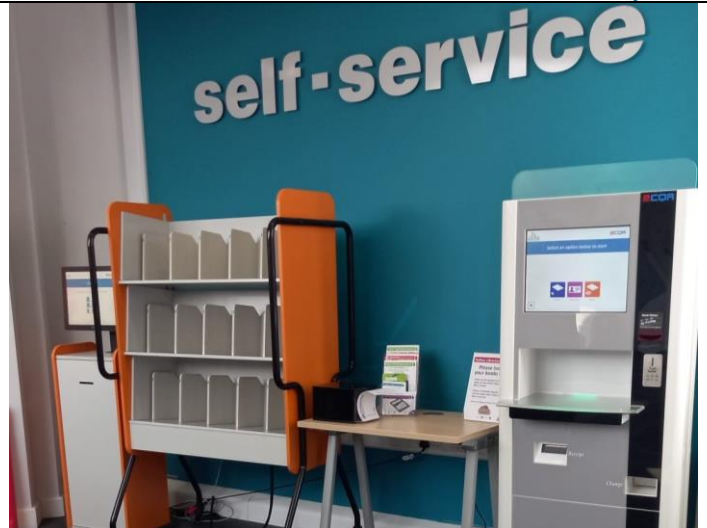

I can borrow a book and take it home with me.

The staff can show me how to borrow the book and tell me when I need to bring the book back to the library.

There is a shelf that I can use to return my books. I can ask staff if I need help to bring a book back

The library will also have some computers. The library staff can help me to use the computer.

To use the computers I may need to wait if it is busy.

The computers are free to use.

The library has a toilet I can use. If I need to use the toilet I can ask a member of staff to show me where the toilet is.

This library has a junior section for children and young people.

I can ask staff if I need help to find a book.

This library sometimes has fun events for kids, young people and also adults.

I can talk to library staff to find out about the groups and events.

When I have finished I will leave the library.
