Before I go to the library

I'm going to Widnes library

If I am nervous about going I can talk to someone and ask questions first, I can call **0151 907 8383**.

Or I can email:
widnes.library@halton.gov.uk

I can ask the person for a tour of the library.

About the library

There are people who work at the library who I can talk to.

Most of the library staff wear a library uniform and have a name badge.

The library is usually a quiet place where people talk quietly, relax and read books.

I will enjoy choosing books to take home with me.

Sometimes the library is quiet and sometimes it might be noisy.

If it is noisy I can talk to a librarian who can help me find somewhere quiet to relax.

How I become a member of the library

There will be a member of staff near the front desk.

I can talk to someone who works there if I would like to become a member of the library.

I will tell them my name, address, date of birth, telephone number and email address and the library staff will enter my details on their computer.

I am now a member of the library and I will be given a library card

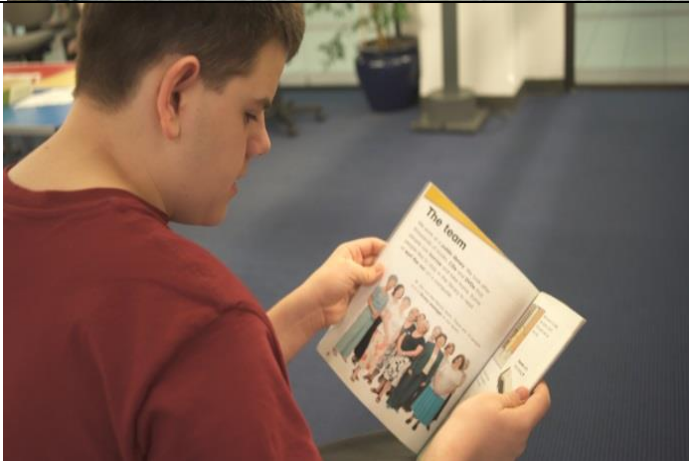

When I visit the library

In the library there will be lots of shelves of books that I can choose from.

I can sit in a chair and read a book.

I can borrow a book and take it home with me.

The staff can show me how to borrow the book and tell me when I need to bring the book back to the library.

There is a shelf that I can use to return my books. I can ask staff if I need help to bring a book back

The library will also have some computers. The library staff can help me to get on a computer.

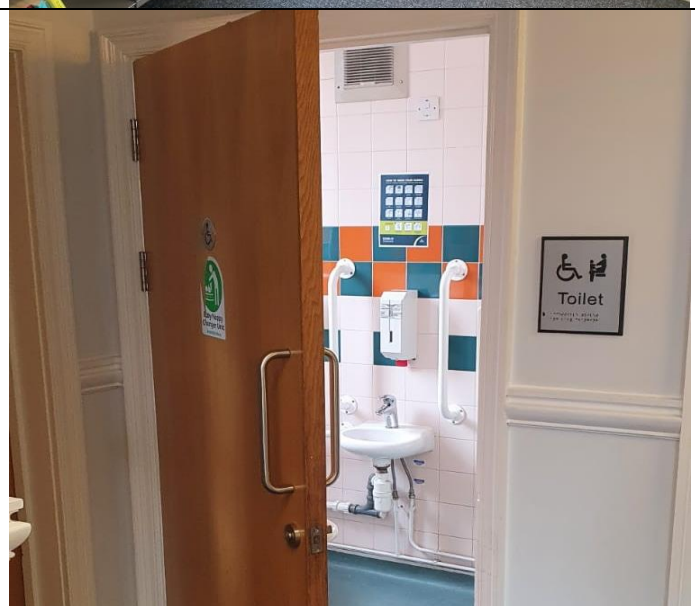

To use the computers I may need to wait if it is busy.

The computers are free to use.

The library has toilets I can use, they are at the front area of our library.

There is also an accessible toilet I can use.

This library has a section for children and young people.

I can talk to library staff if I need help to find a book.

This library sometimes has fun events for kids, young people and also adults.

I can talk to library staff to find out about the groups and events.

When I am finished I will leave the library.
